

To whom it may concern:

It is my great pleasure to recommend [name] for admission into the Ph.D. program at your university. I have known [name] for two years as an M.S. student in Computer Science at [university]. They have taken graduate courses with me, and I am also their academic advisor.

[name] was an excellent student in my courses. In addition to their academic achievements, they also have extensive practical experience through various internships that broaden their computer science background.

I anticipate that [name] will have a successful doctoral career. If you would like to contact me for further information, I may be reached by e-mail at [email].

Sincerely,

[name]
